Milkaut Profesional Butter is made from top-quality fresh cream, carefully selected. Its production process, aimed at preserving the freshness of the raw material, guarantees a superior sensory profile, with intense aroma and flavor. It has a smooth and uniform texture and a plastic consistency at 20 °C, making it ideal for demanding applications in bakery and pastry.

Its controlled moisture content (16%) and stable quality throughout the year ensure consistent results in preparations where butter plays a key role, such as laminated doughs, pastries, and high-quality baked goods.
